Program Advertising

We would like to offer you the opportunity to promote your business while supporting the Mukilteo Community Orchestra by placing an ad in our 2016-2017 programs. By advertising your business in our programs, you are helping to support our mission of providing performance and educational opportunities for our regional musicians to create integrative musical experiences for the community. Your advertisement will appear inside all three of our concert programs. Our concerts have been very well attended and are held at Rosehill Community Center in Mukilteo.

We will make every attempt to ensure the copy of your ad in the program represents your expectations. However, we are not liable for errors. The quality of the final product depends on the quality of the business card or artwork provided to us. Advertisements will be in black and white. If you have any questions, please e-mail us at: concertads@mukilteoorchestra.org
